

Statement of Completion of Minimum Background Screening of ICA Personnel

Name of Applicant:

Position Sought:

Sponsoring Agency:

References

References received from individuals with knowledge of the applicant's past history and his or her suitability for the above position did not reveal any information that would suggest the applicant should not be considered for the above position. Please describe below any exceptions to this.

Exceptions:

Other Background Checks (educational background, previous employment, professional licenses and certification)

Background information and documents have been received from these areas, as relevant to the position being sought, and their accuracy has been verified.

Please note any questions or concerns:

Criminal Records Check

The result of a criminal records check performed on the above applicant has been received and is noted here.

Results:

Interview

An interview was conducted to provide opportunity to inquire into the applicant's background, to determine the accuracy of the information received regarding the applicant, and to make a determination as to this person's suitability for the position sought.

Acknowledgment

To the best of our knowledge, as a result of the above screening process, I (we) find no evidence or suspicion of emotional, physical, spiritual or sexual abuse in the background of the applicant.

Certifier's Name and Position:

Sign & Date

This document is based on the minimum child abuse screening standards established by CBInternational and was last updated 15 January 2001.
